The Client

Set-up as a private development team within a larger corporate, this organisation has a pipeline of approx \$5billion worth of projects over the next 5-10 years.

Some of Australia's most iconic future projects will be included in their phenomenal development masterplan and you will have the opportunity of being a part of something truly unique.

The Role

Reporting to a highly experienced and well respected Development Director you will take the lead for the development and delivery of a major \$700m Museum development project.

Full development management and design role
Handle a future cultural iconic project from end to end
Be involved in early concept and planning

The Candidate

The successful candidate will be a highly experienced and proven Development Manager, who has already run and delivered a museum type project in the past.

The position requires excellent design management skills and a thorough understanding of complex build processes, whilst dealing with multiple stakeholders at any one time.

You will have the ability to be adaptable and have taken a project thru it's full life cycle to delivery.

Coming from a client side focused Development role
Proven delivery experience of museum/cultural led projects
Ability to manage external parties and internal stakeholders
Excellent project management skills
Great communication skills
Must have a relevant property background

The Reward

This is a chance to work on one of Sydney's most exciting cultural projects, being part of a highly commercial team and working across a true end to end project. The salary and long term future offerings should attract best in market.
